

We had a beautiful day for the 2nd edition of the Montpelier/Elmore Practice Triathlon Series. For the first time in the history of the practice triathlons there was a photo finish with timers awarding Ben Ellingson the win over Anthony Mennona as they sprinted to the line. Erin Preston swam and ran with her 11 yo daughter Aaliyah, but still took home first place female. The recreation area was busy and we thank them for allowing us to hold the triathlon with so many still swimming in the pool. Many thanks to the volunteers who helped time and keep people on course: Marsha Bancroft, John Martin, Dot Martin and Dot Helling. We only had one significant course deviation on the run this week and the markings will be improved to help prevent that next event.
