

The first edition of the Montpelier version of the Elmore Practice Triathlon Series was well received by 16 participants. We enjoyed better weather than any of the 4 Elmore versions in 2013: sunny and breezy with pleasant temperatures. Ben Ellingson edged Per Tonn to take the overall win. Erin Preston was first in the female division.

A few people reported designing their own run course after losing the course markers. I promise that additional markers will be placed next race to avoid similar confusion. Also, we worked out some kinks in the timing system tonight, so if anybody notices errors, please let me know.

There would have been many more issues in the course and timing without the help of a great group of volunteers. Thanks to Dot and John Martin, Karen and Mark Bates, Marsha Bancroft and Eric Ryea for their assistance.

Also thanks to the Montpelier Recreation Dept for allowing use of the facility. Proceeds from this year's race will be donated to the Rec Dept. Having real lifeguards during the swim made us all more comfortable.

See you July 10 at the next Montpelier/Elmore Practice Triathlon!
